The MOPH Fund Inc.

is the official fundraising arm of the
Military Order of the Purple Heart.
We bring patriotic donors together
with **combat-wounded veterans**
who spilled their **blood** in the name
of our nation's **freedom** to promote
their recovery.

**Our sole purpose is to raise funds
for programs executed by the
Military Order of the Purple Heart.**

Our goal is to help make sure their
programs receive robust support
so more Purple Heart recipients and
their families can be provided with the
necessary assistance.

The MOPH Fund Inc. is a 501(c)(3)
non-profit public charity
(EIN 87-3168304).

The Military Order of the Purple Heart (MOPH)

The Mission of the Military Order of the Purple Heart is to foster an environment of **Camaraderie among Combat Wounded Veterans to promote Patriotism** and serve the Veterans and our Communities. The Military Order of the Purple Heart accomplishes this mission by providing services to all veterans and their families through our local Chapters and Departments.

Suicide Awareness and Prevention

This program provides our members with education, resources, and tools to join in the fight to end suicide. We provide a course targeted to empower Veterans, Peers, and/or family members to ask the right questions, persuade a person in crisis to seek help, and provide resources in their local areas. We strive to save lives by networking and partnering with other Veteran Service Organizations, Mental Health Programs, and advocacy groups with the goal of ending Veteran suicide.

Youth Activities

We recognize outstanding leadership through patriotism and citizenship in cadets and midshipmen through the Senior and Junior ROTC Programs in the United States and Department of Defense Dependent Schools worldwide. In addition, we recognize outstanding leadership in non-ROTC/JROTC Youth Programs including members of the Young Marines, Civil Air Patrol, Naval Sea Cadets, Scouts, and Pre-JROTC Mid-School Programs.

Advanced Education Scholarship Program

A competitive program that awards scholarships to Purple Heart recipients and their spouses, children, and grandchildren each year. At least one applicant with military service will be awarded the Navy SEAL LT Michael Murphy Memorial Award.

Employment Training

The Military Order of the Purple Heart and Redding Software Corporation are working together to provide MOPH members, veterans, or family members of MOPH members with free Software Developer training. Each year 15 people are chosen for our free training program/internship. The internship lasts for one year since most employers like to hire programmers with at least one year of experience. Priority will be given to MOPH members.

Women Veterans Issues

The program's mission is to aid Women Veterans by: providing information and assistance to resolve issues inside and outside of the Order, providing relevant information on improvements and updates to the VA's Women Veterans Programs, advocating for positive change through partnerships, training, and the exchange of information, identifying barriers that hinder progression to achieve goals, recommending outreach activities for women and their families both members and non-members, and speaking at events providing information on women's benefits and achieving goals.

Veterans Advocacy

The Military Order of the Purple Heart (MOPH) is committed to serving our veterans. Although our membership is restricted to combat-wounded men and women, we support all of our veterans. Our current initiatives for veterans include consistently assessing the needs of our members and disseminating relevant information to them to address their needs and advocate on their behalf. We are always seeking to increase our membership by reaching out to more combat-injured and encouraging them to join MOPH. We also welcome feedback and ways to better serve our members.

MOPH Disaster Relief Fund

Natural disasters can strike at any moment, leaving veterans and their families vulnerable and in urgent need of support. The MOPH Disaster Relief Fund is dedicated to providing immediate assistance to combat-wounded veterans affected by catastrophic events such as hurricanes, wildfires, floods, and more. Your generous donation helps ensure we are always ready to deliver essential aid, such as emergency shelter, food, medical care, and financial support for rebuilding efforts.

National Legislative Program

Through this program, we listen to veterans' needs and take an official position on legislation in Congress. We strive to impact legislation that affects veterans, their families, and survivors, like Homeless Veterans, POW/MIA, and Veterans Benefits. We ask for your help in speaking up and taking care of those who protect the country!

We are dedicated to our Country and our Veterans Community. We endeavor to do better **for each other by**  **each other always.** We are Combat Wounded Veterans who have received the Purple Heart for wounds suffered in combat or by an act of terrorism.

You can make a difference in Veterans' lives.

THANK YOU for Supporting the Military Order of the Purple Heart!
